(The Feast of Lots)

+ Declaration for Purim

All say: (After prayer of thanksgiving for meal.)

As we read from the Book of Esther during Purim we see how Queen Esther acknowledged her Jewish Root. May we in like manner acknowledge Yeshua as our Beloved Kinsman Redeemer before all men.

We also remember how the Jews fasted three days before The Father in sackcloth and ashes as Haman planned their destruction and the annihilation of the knowledge of YHVH. We continue to see the Hamans of today seeking destruction and annihilation.

As we see these attacks may we always remember the Powerful and Long Arm of YHVH which delivers.
